

# Instruction Manual

**BABY SAFE PROTECTOR**

Instructions / Anleitung / Istruzione

## Product Information

Product Name: Baby Safety Protector

Material: Environmental NBR

Qualified Degree: First class

Application Range: Places with sharp edges and corners like, TV stand, table corner, pillar, bed leg and more. Fits all table sizes.

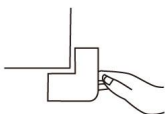

## Install the Corner Protectors

1. Please wipe out dust, water, oil stains of the pasting part.

2. Stick the double-sized tape onto the back side of the corner protector.

3. Tear off the tape and wrap to the table corner with pressure.

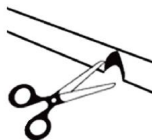

4. Completed.

## Install the Edge protectors

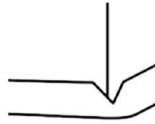

1. Measure the length, and cut the safety protector with required length.

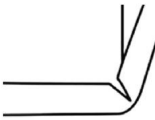

2. Stick the double-sized tape onto the back side of the protector.

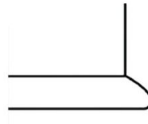

3. Cut the corner part into a triangle shape.

4. Confirm the pasting part and stick one side first.

5. Stick the other side.

6. Completed.

## Notes

1. The protector and the package are prohibited to play as a toy.
2. The protector is designed to minimize injuries to children, but it doesn't mean it will save adult supervision.
3. Please apply the safety protector to every possible place for the baby.
4. Please put away the product when not using, in case of being mistaken for food.

## Anmerkungen

1. Der Kantenschutz und die Verpackung sind kein Spielzeug. Halten Sie Kindern fern.
2. Der Kantenschutz ist als Vorsichtsmaßnahme gegenüber Verletzungen gedacht. Dies bedeutet aber nicht das ein Beaufsichtigen des Kinder nicht mehr nötig ist.
3. Bitte installieren Sie den Kantenschutz an jeder Kante an der sich Ihr Kind verletzen könnte.
4. Bitte legen Sie das Produkt gut weg wenn es nicht benötigt wird damit Ihr Kind damit nicht spielt oder es für Essen hält und dies evtl. verschluckt.

## Note

1. La protezione ed il pacchetto sono vietati di giocare come un giocattolo.
2. La protezione è stata progettata per ridurre le lesioni al minimo ai bambini, ma non significa che si salverà la supervisione dai genitori.
3. Si prega di applicare il protettore ad ogni luogo che possibile per una maggiore protezione del bambino.
4. Si prega di mettere al lontano dai bambini quando non volesti utilizzare più il prodotto, in caso di essere confusi con prodotti alimentari.

## Tips for Removing Safety Protector

Firstly, heat the tape with the hair-dryer, and then stop heating when the tape becomes soft. When being stained, wipe it with hot towel in washing-up liquid.

## Tips zum entfernen des Kantenschutzes

Zuerst erwärmen Sie bitte den Kantenschutz vorsichtig mit einem Haarfön um das Klebeband leichter zu entfernen. Evtl. Klebereste können Sie mit einem feuchten Tuch mit etwas Spülmittel entfernen.

## Tips per la rimozione della protezione di sicurezza

Bisogna riscaldarlo con il fon, poi ferma il riscaldamento quando è diventato morbido. Quando è stato tmacchiato, bisogna pulirlo con un asciugamano caldo con detersivo.
